

Valeria Antique Brass and Green Stone Chandelier

Model family: ginx5891

Design overview

A candle-style chandelier that pairs antique brass-toned copper with richly patterned green stone accents and clear crystal drops. The open silhouette keeps the color focused and architectural, while single- and two-tier configurations scale the design from dining rooms to taller foyers and salons.

Verified materials and finish

Copper; Decorative stone; Crystal. Body finish: Antique brass with malachite-pattern accents. Open candle-style construction without shades. E14 lamp holders.

Size and configuration guide
